

ARMY TODAY

ORDER OF BATTLE

The NZ Army operate under an Order Of Battle. The Regular Force make up the majority of our numbers and the Army Reserves continue the tradition of part-time soldiering, having the best of both worlds enjoying both a military and civilian career.

Our civilian staff support the NZ Army at all levels, often bringing specialist expertise and performing a wide range of functions to enhance overall defence capabilities.

The following map shows the NZ Army chain of command.

New Zealand Army Order of Battle

Correct as at 18 December 2014
